

Tessa Caitlen Crews

Visual Artist, Photographer, Dancer

Tessa holds a Bachelor of Arts degree in Global Sustainability from the University of Virginia where she also studied drawing, painting, graphic arts and photography. Tessa continuously renews her commitment to explore biodiversity and embraces a holistic lifestyle that she elegantly captures within her photographs drawings and paintings.

Tessa's passion for life is expressed through her entire being. It is her love for the arts and humanities that makes her feel most creative, productive, and inspired. Her international travels to Poland, India and Central America strengthen her discipline in mindfulness and meditation and she incorporates the arts as a means of healing, intertwines the natural world into her expressions, and hopes to build art therapy and ecological wellness into her career path.

" We are here to take a deeper look within and seek the service of the heart"
