

Beth Schmalz

Beth Schmaltz originally hails from Ohio.

After 30 years of federal service she "rewired" (not retired) her new career in the arts. She specializes in modern hand stitching, felt and mixed media as an expressive art medium. Her other interests are photography and traveling which she uses in her art. She has been published in "Quilting Arts Magazine and has created events at a local winery bring creative joy through textile art.
