

Paulo Neuhaus

Artist Statement

Working with an iPhone camera, I embrace photography as a versatile and portable artistic practice.

My images gravitate towards playing with color and composition, and I like to draw on domestic and international travel to sharpen my eye. Furthermore, the light, textures and everyday surfaces of my Michigan home environment also help to keep me inspired and grounded in close observation.

I encourage you to visit my website, www.PauloNeuhaus.com

I can be reached at paulo.neuhaus@gmail.com, or (202) 577-8863,
